Fury as Katie slams dementia 'bed-blockers'

REALITY TV star Katie Hopkins (above) has been accused by a leading charity of making "disgraceful" and "ill-informed" remarks about dementia patients.

The controversial columnist caused upset on Twitter by referring to them "blocking beds" to them. She wrote: "Dementia sufferers should not be blocking beds. What is the point of life when you no longer know you are living it? Bang me over the head. The day I am diagnosed with dementia is the day I book my ticket to Dignitas."

George McNamara, of the Alzheimer's Society, said: "These disgraceful remarks only serve to reinforce the stigma that sadly prevents many people with dementia from feeling like valued members of society. The 850,000 people living with dementia in the UK deserve far more than to be used as bait by people stoking controversy."

Soviet nuke sub in blaze

A RUSSIAN nuclear submarine that was under repair in a far northern port has caught fire, but officials said there was no danger of radioactive emissions or explosion. The blaze broke out in the Zvezdochka shipyard in Severodvinsk, about 620 miles north of Moscow.

A spokesman for the corporation which runs the shipyard, said the submarine's weapons and critical elements of its nuclear reactor had been removed before the repairs had started.

Pension age rise unfair to Scots 'cos they die early!

TROUBLE BRU-IN': SNP's Nicola Sturgeon

SCOTTISH Nationalist chieftain Nicola Sturgeon says raising the retirement age is unfair – because Scots DROP DEAD so young.

The SNP demanded that the retirement age be frozen – in a move which would cost billions of pounds – as the latest price of propping up Ed Miliband in Downing Street in the event of a hung Parliament.

Unfair

Miss Sturgeon, dubbed the Irn Bru Lady after her storming performance in last week's leaders' debate, said the rising retirement age was particularly unfair for pensioners in Scotland because they don't live as long as their counterparts in the rest of the country.

Booze, fatty food, smoking, and poor housing all conspire to make the life expectancy of Scots among

the lowest in Europe.

So the SNP reckon moves to raise the retirement age in line with improving old age health in the rest of the world will mean Scots lose out.

They fear that if the retirement age was raised to 70, only a handful of Scots would survive long enough to claim their pension.

Speaking on a visit to an old folk's home in East Dunbartonshire, Miss Sturgeon said: "The Tory/Lib Dem government's plan to further increase the state pension age is a worry to people across the UK planning for their future, but the failure to take Scotland's specific circumstances into account is particularly unfair."

"Our comparatively low life expectancy rate is an issue which I will do everything in my power to change."

BOYS, 17, 'FLEE TO SYRIA'

TWO teenagers from Yorkshire are believed to have travelled to Syria, counter-terrorism police have confirmed.

The 17-year-old boys are thought to have fled to the war-torn country after boarding a flight from Manchester airport to Dalaman in Turkey on March 31, West Yorkshire Police said.

Asst Ch Con Mark Milsom said: "We are extremely concerned for the safety of these boys and would urge anyone with information to come forward and speak to us."

By **DAVID MERCER** news@sundaysport.co.uk

Syria is an extremely dangerous place and the public will be aware of the dangers these boys may face.

"The choice of returning home from Syria is often taken away from those that come under the control of Islamic State."

The boys, from Dewsbury, were last seen by their families on the day they are believed to have boarded the Thomas Cook flight to Turkey, cops said.

One of the boys is related to Hamzaad Munshi, who was arrested by counter-terrorism police in 2006 at the age of 15 and later convicted over his role in a plot to murder non-Muslims, *The Times* newspaper reported.

Police say they have been supporting the missing teenagers' families and carrying out extensive inquiries alongside the North East Counter Terrorism Unit.

Asst Ch Con Milsom added: "Our priority is their safe return."

STRAIGHT TALKING FROM UKIP'S DEPUTY LEADER

Should Canada and Oz be ashamed, too?

OLYMPIC gold medalist Anthony Joshua (above) looked sensational on Saturday night when he knocked out Jason Gavern in just three rounds.

Even though he was critical of his performance, it sent a clear message of intent to rival heavyweights. The win sets up the mouth-watering prospect of an all-British clash with David Price.

Fellow former Olympic medalist Price has been rebuilding his career in Germany since his shock knockout at the hands of Tony Thompson two years ago, and he has won four on the bounce.

Sheffield's Kell Brook also looked ace defending his welterweight world title a few weeks ago too, which should ensure that a stadium super-fight with Amir Khan is not far away.

If you consider super-middleweight rivals James Degale and George Groves will both be fighting for world titles soon, it's a good place.

I'd go as far as to say it hasn't been so exciting since the golden age of Chris Eubank, Nigel Benn and Michael Watson.

NIGEL Farage caused "outrage" at last week's Leaders' debate when he suggested we should not be allowing would-be migrants with HIV or Aids access to a National Health Service into which they have never paid.

Surely this "outrage" has to be phoney – because anyone with half a brain must see that Farage was talking plain common sense.

The figures back him up: At the moment there are an estimated 107,800 people living with HIV in England, and 59,300 of those are from Africa.

Consider that treatment for a HIV+ patient costs £20,000 or more in anti-retroviral drugs every year, then we are talking about a serious amount of cash.

The annual cost of treating those African patients would amount to over a billion pounds.

What Farage said was nothing new. Earlier in the year 20 Tory MPs tried to push a law through the House of Commons stating immigrants should prove they're

not HIV+ before getting into the country. Two of those MPs were qualified doctors.

Farage was told during that live debate that he "should be ashamed of himself" by the leader of Plaid Cymru, Leanne Wood.

But why should he? Forty-six countries around the world do not let people in with HIV/Aids – why should we be any different?

We're not talking about tin-pot banana republics here, but sensible, developed nations like Canada and Australia.

Commonwealth

Is Leanne Wood and the liberal right-on brigade saying that Canada and Australia, who have minimum health requirements, should, like Farage, be "ashamed of themselves"?

If she is, then she's not doing a great diplomatic job for Wales and certainly won't make herself popular with our Commonwealth partners.

An opinion poll last weekend showed 50 per cent of people agreed with Farage, with only 34 per cent saying they were opposed.

To me, it seems as clear as day.

There is a dangerous disease out there which cannot be cured, so let's be doing everything we can to keep it off our island.

Seriously, what kind of nation allows such a dangerous disease to be imported in huge numbers? I'll tell you – one that is infected with extreme liberal lunacy.

Luckily, I don't suffer from some sort of post imperial guilt that plays on the conscience of the metropolitan luvvies, so I have no problem saying that I believe in a National Health Service, not an International Health Service.

People who want to come and live and work in this country should be tested for dangerous diseases such as HIV or TB before they are allowed in.

And there is nothing racist or xenophobic in saying "charity begins at home" – even if it does upset the London progressives.

In fact, all the better if it does!

Justin Dunn's Room 101 WHAT'S ANNOYING HIM THIS WEEK?

Advertising execs can all go and whistle...

MY missus has an unfortunate trait – and it's not just the fact she's with me. No, for someone whose entire family seems to be musically minded, she suffers from a complete inability to whistle.

She can only do one note – and even that, let me tell you, is not a good one.

This became a particular bone of contention at home when the latest incarnation of the TSB advert comes on the telly.

You probably know it – it's the one where you automatically pick up anything heavy to hand and hurl it with considerable speed and venomous accuracy at the TV.

The one where even if it meant risking your dear old mother's life, you still wouldn't dream of ever opening an account with the mind-drilling bastards.

The one where there's seemingly endless "doo doo

doo dooooo, do dooo doooooooo" at an ever increasing pitch.

It's as if the guys at the advertising agency – each one of them, including the girls, called Toby – have set out to find THE most irritating noise known to man.

"Hey," Toby finally said to Toby as they networked at the watercooler in a blue sky-thinking brainstormer: "Who genuinely likes the sound of other people whistling?"

DAVE Cameron feeding a lamb. **Nick Clegg** smiling. **Ed Miliband** being... **Ed Miliband**. And still a whole month of it to go. Anyone fancy a pint?

"Nobody!" shrieked Toby.

"That's it!" fired back Toby. "Then we shall irritate the living shit out of everyone for a good six months with our new campaign!"

And then they all skipped down to the street ruffling each other's matching hipster beards before mounting their ironic retro penny farthing bicycles – only to discover me cackling manically at the wheel of a steamroller with bloody murder in my eyes.

It is almost impossible to describe the depth of utter hatred I feel consumed by when on the topic of TV advertising. But one of my best mates works in sales and loves to

remind me that many of those who do what I do for a living can only do so because of advertising money.

And he does have a point.

We live in a world where the constant push of products we don't want or need horribly props up entire industries and the people employed within them.

But that doesn't mean we have to allow Toby and Toby (Toby) Inc to actually bloody win, does it?

Which is why I intend to send my missus into branches of TSB up and down the country to perform her entirely useless version of The World's Most Irritating F**king Advert for their staff. To get my own back a little, yes.

But mainly because as Toby might have put it, and probably f**king does, "every little helps".

'STAB RAGE OF LOVE CHEAT BLONDE'

By **NICK GUTTERIDGE**
news@sundaysport.co.uk

AN adulteress stabbed her boyfriend through the heart after he arrived home to find her in a short dress and stockings about to have sex with her lover, a court heard.

Drunken Natasha Elderfield chased her partner off the boat they shared after he discovered the amorous pair below deck with his love rival's trousers around his ankles, a jury was told.

The court heard the 41-year-old had flown into a rage with boyfriend Robert Dobinson because he had interrupted her attempts to have sex with another man.

She told arresting detectives "my God, it's so f**king funny" after leaving him to die on the banks of the River Thames, the jury was told.

The tragic 33-year-old had been dating mother-of-two Elderfield for about two years and had spent time with her at the boat following the breakdown of her marriage in 2014.

The couple had spent the previous

night together and had had sex the morning he was killed after waking up together, the court heard.

However, when he returned home from visiting a friend later that day he found her and her lover, Tony Steggles, half-naked in the cabin and about to have sex.

The court heard the two pair had spent the afternoon drinking heavily and dancing to music on the radio and that blonde Elderfield had changed into "sexy" short dress and stockings.

Dobinson had stormed off the boat to go and spend the afternoon with a friend but had repeatedly phoned his girlfriend in a jealous rage - with his constant interruptions making her more and more infuriated.

After storming back to the boat, moored where the couple lived in Abingdon, Oxon, Dobinson went below deck to find his girlfriend and her lover in a tryst.

Prosecutor Charles Ward-Jackson told Oxford Crown Court: "Natasha Elderfield and Mr Steggles were down in the cabin and were about to have sex. He had his trousers down when Mr Dobinson came down into the cabin and his arrival must have been extremely unwelcome."

The court heard a fight then broke out during which Elderfield chased him out of the cabin armed with an 11-inch kitchen knife and stabbed him through the heart, driving the blade right in to the hilt.

Afterwards she came back still holding the knife and told Steggles: "I've stabbed the bastard."

Dobinson staggered 100 yards down the riverbank before collapsing. Elderfield denies murder and the trial continues.

Alien beings 'the size of polar bears' warning!

IF aliens DO exist they are likely to be the size of a POLAR BEAR and even more terrifying, according to experts. Forget beings from outer space being cuddly – as in the movie *E.T.* – because scientists reckon they'll be TERRIFYING.

And the boffins are urging humans NEVER to make contact with an alien race should we ever stumble into one, because they'll probably rip mankind a new arsehole.

So says Fergus Simpson, a space scientist at the University of Barcelona, who has used maths formulas to predict the size of extra-terrestrials.

He said: "Most species are expected to exceed 300kg in body mass. Similar to that of a polar bear."

"Throughout the animal kingdom, species which are physically larger invariably possess a lower population density, possibly due to their enhanced energy demands."

"As a result, we should expect humans to be physically smaller than most other advanced species."

"As we have repeatedly learned from the finds of distant planets, and the exploration of life on our own, nature is invariably more diverse than we anticipate."

Footie star dies in crash horror

SOUTH African footballer Richard Ntshong has been killed in a car crash.

The striker died in the accident early on Tuesday, according to his club Free State Stars.

He was travelling with four other people in the vehicle, but the player was the only person killed.

The 31-year-old made nine appearances for South Africa in 2009.

He was on loan at Free State Stars from Pretoria-based Mamelodi Sundowns.

Ntshong went on as a substitute in the Stars' 1-0 loss to AmaZulu in the east coast city of Durban in a Premier Soccer League game on Saturday.

His younger brother, Joseph – also a footballer – died in December.

NOW this is what you call 'dress-down Friday' – after office bosses decided to implement a NAKED month for stunned employees.

The odd experiment was undertaken by staff at *The Bold Italic.com*, a local news and features website based in San Francisco.

It was part of a 'free your genitals, free your mind' campaign to help boost productivity.

Jessica Saia said: "Looking back, I can honestly estimate that it took under an hour for things to stop being weird and start being awesome."

"By day three, it all seemed so incredibly normal. I know it's a bit out there, but I encourage any office to give it a try, even for a week."

Cowell plans show to find new Zayn

SIMON Cowell is planning a new telly show to find a replacement for One Direction star Zayn Malik.

The media mogul, 55, created the boyband when they all appeared separately on *The X Factor* back in 2010.

He spotted their potential and

formed them into a group – which then went on to top the charts all over the world.

Excited

Now after the departure of fan favourite Zayn, 22, Simon is keen to use television to find his replacement.

A source said: "He reckons it will be a huge hit."

"Not only will it get the boyband a new member but the publicity will be out of this world."

"The lads are very excited about this show, too. And it will give them a chance to have a break while the auditions go on!"

Dr Who on Beeb for at least 5yrs

DOCTOR Who will stay on the small screen for at least another five years, its executive producer confirmed.

The BBC1 sci-fi drama recently celebrated the 10th anniversary, since its TV relaunch. Steven Moffat told *Doctor Who Magazine* he expects the show to "do a minimum of 15" years in total, but it could go on even longer. He added: "I thought it would last 10 years. It's going to do a minimum of 15. It could do 26!"

And he said that finding new doctors for the show – currently starring Peter Capaldi (above) as the Time Lord – had been "difficult".

He said: "It's not easy to find new doctors. There's nothing easy about doing *Doctor Who*."

He called the ratings "extraordinary", saying that "10 years on, our ratings are pretty much the same. Actually, internationally, bigger. No show does that! You're meant to go down!"

The new series of *Doctor Who* is expected to return this autumn.

Axeman, 100, kills wife, 88

A 100-year-old man has murdered his wife with an axe as she slept – before killing himself.

Although there was a "history of domestic issues" between Michael Juskin and his 88-year-old wife, Rosalia, it is not clear what sparked the apparent murder-suicide in Elmwood Park, New Jersey.

Police found the couple in their house after a relative called authorities.

Neighbours said they often saw the couple out and about – Michael Juskin walking a dog and his wife tending to her garden – but said they "kept to themselves".

Barbara Szczecina, 65, said she saw Mrs Juskin sitting on her front porch on the day of the slayings.

She added: "She used to be in her garden all the time. They were always together, putting around outside."

Ex-Top Gear star escapes police action

CHEERS: Cops won't be pursuing Jeremy

JEREMY Clarkson will face no further police action over his attack on a Top Gear producer at a hotel, say cops.

North Yorkshire Police said it had "completed its routine inquiries" into the incident and would "not be pursuing this matter any further".

It said: "Now all the interviews are complete, we have properly established that there is no need for further police action."

Oisin Tymon, the producer attacked by Clarkson, said last week he did not want to press charges against his former colleague.

Mr Tymon had his lip split in a 30-second-long assault on March 4 and had to take himself to hospital. He was also shouted at by the former *Top Gear* presenter in a torrent of verbal abuse.

Support

Clarkson later reported the incident to the BBC and was suspended on March 10 before it was announced his contract would not be renewed.

The star received huge public support – including from his pal, Prime Minister David Cameron – in the wake of the fracas, while one million people signed a petition calling for the BBC to reinstate him.

But director-general Tony Hall said "a line has been crossed" and

By ROBERT DEX

that "there cannot be one rule for one and one rule for another".

It emerged last week Clarkson will appear on stage with his former *Top Gear* colleagues Richard Hammond and James May later this year to fulfil a series of gigs planned before he left the BBC.

The gigs will be stripped of all BBC content, and billed as *Clarkson, Hammond and May Live*.

It means the shows, which will take in venues as far afield as Australia, Norway, South Africa and the UK, will not be able to use clips from the show or feature The Stig.

The move is likely to spark rumours the three men intend to team up to continue their careers together in future.

BIKERS' GROVE: Hammond and May's gems

TWELVE motorcycles owned by *Top Gear* presenters Richard Hammond and James May are to be sold.

The pair, whose future is uncertain following pal Jeremy Clarkson's sacking from the show, joked about their predicament after it was announced the bikes be auctioned at Bonhams Spring Stafford Sale later this month.

May said: "Just because I'm unemployed now doesn't mean I have to get rid of everything. I was going to sell these bikes anyway. And my collection of Scalextric cars. Honest."

Hammond said: "The Bonhams Stafford sale is the ideal opportunity to move bikes on and possibly acquire new ones. I also have a canoe, and some Wharfedale hi-fi speakers, if anyone is interested."

Included in the sale is Hammond's 2010 Norton Commando 961SE, which could fetch as much as £18,500, while May's collection includes a 2010 Yamaha SR400, which could go for £12,000.

INDESTRUCTIBLE cyborgs are going to destroy the WORLD, says a top boffin.

There's a growing arms race among tech companies to create real-life 'Terminators'—killer robots classed as fully autonomous weapons.

But Professor Noel Sharkey, a leading campaigner against the development of artificial intelligence, is calling for an international treaty in order to BAN the metallic menaces.

Sharkey, chair of the International Committee for Robot Arms Control, says: "While they are at the beginning of development, there are a number of precursors around at the moment."

"One of the dangers is 'spoofing', where robotic weapons signals can be interfered with, meaning that civilian is killed instead of a soldier."

"Who is responsible for mishaps when weapons are hacked?"

Mobile charged in just a minute

A BATTERY that can fully charge a smartphone in just ONE MINUTE has been invented.

Scientists have created an aluminium battery they hope could replace the lithium models commonly found in laptops and mobiles.

And as well as the "unprecedented charging times" of their prototype, the team said it was also safer as it was less prone to catching fire, and more environmentally friendly.

Publishing the findings in the journal *Nature*, Hongjie Dai, a professor of chemistry at Stanford University, California, hailed it as a breakthrough in battery technology that went further than previous attempts using aluminium.

The new design could even be used to store renewable energy of the electrical grid, his team has suggested.

GUITAR HERO AT 70 – THE CREAM OF THE WOMEN IN HIS LIFE ...TOPLESS!

THEN AND NOW: Eric back in the day

By NEIL GOODWIN
neil@sundaysport.co.uk

IT'S no wonder Eric Clapton is nicknamed 'Slowhand' – your palms would take their time too if you had THESE babes to fondle!

The rock legend turned 70 last week, and to celebrate he's going to be playing two enormous shows at the Madison Square Garden in New York at the start of May.

Some will put his career longevity down to the fact he's one of the greatest guitarists the world has ever known – but we reckon it's the WOMEN in his life that keep him reaching for the G-string.

Hotties

Clapton – who has played in bands like Cream, The Yardbirds and Derek and the Dominoes – has romanced a string of hotties.

He married model Pattie Boyd, 71, back in 1979 before moving on to pastures new in 1988.

The blues hero had a son, Conor, with Italian pin-up Lory Del Santo, though boy tragically fell to his death in 1991.

Prior to him marrying his current squeeze Melia McEnery – an American-born former waitress 32 years his junior – Clapton was linked to glamour model Kathy Lloyd!

His latest album, *The Breeze: An Appreciation of JJ Cale*, was released last year.

BGT AMANDA:

I can't control my nips!

TV babe Amanda Holden has decided it's time to cover up her pokey nips!

The Britain's Got Talent star is fed up with her chapel coat pegs constantly being on show.

Her perma-stiff nips have been plaguing her for years and finally she's decided enough is enough.

So she has invested in a set of nipple covers to protect her modesty.

By **NEIL GOODWIN**
neil@sundaysport.co.uk

She said: "I have nipple covers because it's a problem I have suffered with all my life. "They seem to feature a lot in my life."

Stylist

Although her stylist reckons she should get them out more! The sexy 44-year-old added:

"She actually said to me, 'You've got great nipples, get them out!'"

Boxer Carl in line for hardman movie role

BOXER Carl Froch has landed a knock-out lead role as an ACTOR in a new movie.

The super-middleweight could soon call time on his career in the ring as he eyes-up one last dream fight in Las Vegas against Julio Cesar Chavez Jr.

And now the 37-year-old is turning his attentions to the big screen, playing a 'hardman' in upcoming *Once Upon a Time in London*.

Froch's first outing as a thesp was accidentally revealed by his pal David Haye yesterday.

Heavyweight Haye let-slip: "I spoke to Froch just the other day and he's still got his eye on boxing, even though he's just got a part in a movie.

"He's playing a hardman, which will be easy for him - because he is the ultimate hardman."

Nottingham-born Froch recently hinted at plans to quit the sport, saying: "Unless I get a fight that excites me soon I may well hang up the gloves."

Fact me!

More people live today than have EVER died. Apparently.

Sir Terry crowns Discworld saga

SIR Terry Pratchett's final novel will be published later this year.

The Shepherd's Crown, which he wrote last year, will be published in September and is the fifth book to feature the young witch Tiffany Aching.

Sir Terry, who died last month aged 66, sold millions of copies of his books set in his comic creation of Discworld - a flat disc balanced on the backs of four elephants standing on the back of a giant turtle.

The writer's death was announced last month on Twitter last month in a series of messages written by his daughter.

Sir Terry published his first novel, *The Carpet People*, in 1971 but his career as a novelist really took off after the publication of the first Discworld book, *The Colour Of Magic*, in 1983.

His books have been translated into more than 30 languages.

WE'RE SIMPLY THE BREAST!

THE Scandinavians can keep their Norse knockers – it's our home-grown British babes who boast a proper handfull

A new survey, conducted by German newspaper Bild, claimed that of all the nations in the world Finland has the most top-heavy *tytöt* – that's Finnish for women.

Ladies there are said to have an average cup-size of D or above.

But while that sounds impressive, a quick look at our finest glamour girls proves that we're not short of a bouncing bra-full here in Blighty. Brunette Gabrielle Saint, 32G, is

By NEIL GOODWIN neil@sundaysport.co.uk

an honorary Brit having moved her from her native Czech Republic before launching a sizzling career as a topless pin-up.

Blonde Sophie Jennings, 32F, hails from the rolling hills of Cumbria – and her own twin peaks are worth scaling.

Fulsome

Meanwhile, Leanne Crow, 34H, is the UK's hottest export, with the Sunderland bombshell having recently taken America by storm since moving to Los Angeles to

further her amazing modelling career.

Over these three pages we've managed to squeeze in all the proof you'll need to show that you can't fail to bump into fulsome boobies anywhere you go in these great islands.

Cardiff beauties Joey Fisher and Sarah Randall make the point quite clearly here, while overleaf Casey Batchelor, Charley Atwell, Emma Louise and Robyn Alexandra put on a determined front.

One boob lover said: "You don't have to eat reindeer, wrestle polar bears and move to freezing Finland to see huge bouncing boobies, you can simply stay put here in Britain and get a proper eyeful!"

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

● I MIGHT look like a typical glamour girl, but there's a tough streak to my personality. Which is why I know I'd survive if I ever got washed up on a desert island.

That's the premise of Bear Grylls' new TV show *The Island*, which sees a group of blokes and a group of girls competing to survive on separate lumps of rock in the sea.

I've a feeling the girls are going to walk it.

The blokes will be all gung-ho, wrestling sharks, making shelters, climbing trees and swaggering about with their cocks out.

But us women think about problem solving before rushing into it. We're more measured and composed.

And I'd be brilliant at fishing - I've got so much buoyancy up top I'd be able to float around on the surface of the water for hours looking for my prey!

If all else fails, I'll flash my boobs at the blokes and they'll give me their drink - that's how it usually works, anyway!

PURE SEX APPEAL: Alesha and Amanda look real goers!

BRITAIN'S Got Talent is back on TV screens this weekend and I for one couldn't care less about the acts - because it's all about the sexy female hosts for me.

Sometimes, you just know that a girl is a bit of a goer. They've got a twinkle in their eyes. They carry themselves differently to other women - full of confidence and swagger.

And I'm talking about babes like Amanda Holden and Alesha Dixon, who are both judges on *BGT*. I reckon both of those stunnas would go like the clappers in the bedroom!

Would I fancy a girl-on-girl threesome? Would I ever!

I can imagine Amanda being able to teach even me a few tricks between the sheets.

Nookie

In fact, I've heard a few rumours from some well-placed showbiz friends about Amanda and her sexual preferences - and let's just say that she REALLY enjoys a bit of nookie.

As for Alesha, she's just sex on legs. I think she blows Cheryl Cole out of the water when it comes to sheer sex appeal.

Let's hope Simon Cowell has lined-up lots of low-cut frocks, poky nipples and luscious legs from those two - then I'll definitely be tuning in.

Even if I've got the sound on mute while the hapless wannabes are going through their routines!

● DONT hate me but... I'm writing this column from my sun-lounger in Turkey, staring down at my cleavage as a trickle of sweat makes its way between my boobies. Jealous, much?!

And I don't know about you, but being in the sun makes me HORNY! I'm talking insatiable! I have to keep nipping back to the hotel room for a little 'me time'.

And I'm not alone - Turkish men are like dogs in heat! They see in my bikini and make all sorts of nice comments. I hope I don't get nicked for inciting a riot!

● EVEN when I'm on holiday, I like to do a little exercise - well, you've got to burn off all that booze and food some way, haven't you?

And I have to say, the gym here in the hotel is absolutely out of this world - the best I've ever experienced.

I can sit on the exercise bike and look out over the pool, eyeing-up all the blokes as they get hot and sweaty.

There's even a bowling alley in the hotel, so I've been honing my skills. The other night I got five strikes in a row! I think it's all because of my big boobs - they help me balance when I'm bending down low to aim the ball at the pins.

And when I'm not eating fabulous sushi, I'm out mingling with the locals while shopping. It's a brilliant place and I don't want to go home.

● I'M still not sure who to vote for in the upcoming election. Ed Miliband still comes across like a prize prat, and I don't like the way Cameron has been posing for all those sappy pictures with a baby lamb at Easter - talk about a blatant bid to get grannies all wet in their knickers.

But Nicola Sturgeon from the SNP impressed me last week during the live TV debates, and she looks like she'd eat Miliband for breakfast.

In fact, she reminds me of that angry little dwarf from *Game of Thrones* - he doesn't take any shit and neither does Nicola.

Maybe they can get her a role on the next series...?

Love ya, Cheryl...but it's time to pack it in!

SHE'S gorgeous, there's no doubt about that - but sorry, Cheryl Cole, it's time you retired from the pop charts!

I do love Cheryl, and I fancy the pants off her. But as the years have gone by she's got more and more BORING.

And now that her latest single *Only Human* has failed to even make it into the top 100, she should back away gracefully now before she makes a dick of herself.

And Cheryl, love, you've only got yourself to blame.

The pop charts these days are all about SEX, and sex sells. I know that fact better than anyone else in Britain!

While the likes of Rita Ora, Iggy Azalea, Rihanna, Charlie XCX and even Madonna are going out of their way to make the boys drool with their revealing outfits, Cheryl has gone the complete opposite way.

She's dressing more 'mummy' than a dowdy granny, and she's even been slagging off female singers who flash too much flesh. Come off it, love, you

were the first to get yer cleavage out back in the day and you should still be doing it now!

That's what we all want to see - a stunning woman proud to display her body because she knows there's plenty of brains behind it too.

Knockers

We don't want to feel bad for ogling her knockers, especially when they're so bloody amazing. As for her legs...don't get me started. I'm panting just thinking about the sight of Cheryl in her some skinky

lingerie. And I guarantee this - if Cheryl were to release a single next week along with a video showing her writhing around on a beach wearing next to nothing, or shaking her bum like Beyonce in a pair of hot-pants, she'd be straight in at Number One without a shadow of a doubt.

It'd also send YouTube into meltdown.

So, come on Cheryl, give the fans what they want and back away from the stage.

This half-way house you're in at the moment isn't impressing anyone.

NOEL: STALKER TRIED TO KILL ME

By NEIL GOODWIN
neil@sundaysport.co.uk

WORRIED rocker Noel Gallagher has told how he cheated death at the hands of a "manic" stalker.

The former Oasis rocker says he returned home to find a nutter waiting for him in his kitchen, with the bloke saying, "You know why I'm here". And Noel, 47, feared he was about to be MURDERED – just like his idol John Lennon. He revealed: "I'd been out, came home and there was a guy sat in the kitchen.

Police

"People were freaking out so I went into the kitchen and very calmly said, 'Alright?'. "He said, 'You know why I'm here'. I was like, 'Erm, really? Why's that then?' I said to my mate, 'Oi, phone the police'.

"He had left a mental hospital. Apparently he said he knew me. The guy who killed John Lennon said he knew him too. "But you can't live your life worrying about that kind of stuff."

Mel of a dress!

SCOUSE about that for a fine cleavage? Miss Liverpool and Ex on the Beach star Melissa Reeves was dressed to impress as she had brunch at the Amanz restaurant in her home town. The 22-year-old made a big impression with fellow diners, with one saying: "She was the tastiest thing on the menu!"

INBETWEENERS STAR CHEATS DEATH ON SET

FACE OFF:
James (right)
and in rescue
scene (above)

INBETWEENERS star James Buckley almost blasted his face off with a GUN in a harrowing shooting mishap.

The potentially-fatal incident came as actor James was filming a scene for E4 telly comedy *The Inbetweeners*.

The stunt saw James' character Jay getting marooned on a boat with his hapless pals before firing-off a flare gun to summon help.

Stranded

But director Ben Palmer, 39, said it almost went horribly wrong.

He explained: "I'll never forget the day James Buckley nearly blew his face off with a flare gun."

"He was supposed to shoot it in the air when the boys get stranded in a boat on a school trip."

"When nothing happened he looked down the barrel to see what was wrong and fire it, missing his face by MILLIMETRES!"

BOOBS OUT FOR PSYCHO FREDDY!

VICTIM OF LUST:
 Robert as Freddy - woman loves him

HORROR movie bogeyman Freddy Krueger is deluged with rampant boobs-out female fans, according to the bloke who played him.

Razor-fingered Freddy is the horrifically-scarred paedo from the *A Nightmare On Elm Street* film franchise.

But actor Robert Englund, 67, says it hasn't stopped babes throwing themselves at him.

He says: "A lot of women tell me they find Freddy darkly sexy. For some girls he represents fear and titillation."

neil@sundaysport.co.uk

"I've lost count of the number of cleavages I've autographed. I've signed a lot of women with tattoos of me on their breasts, asses, or way, way up high inside their thighs."

"They sometimes then go off and get my autograph tattooed and come back to show me them - all bruised and bloody."

"That's interesting..."

Robert's latest movie *The Last Showing*, is out now on iTunes.

BISEXUAL beauty Natasha Anastasia dreams of a slippery lesbian FOURSOME!

The stunning 25-year-old has already experienced a threesome with one bloke and another girl.

But Natasha dreams of performing a night-long cock-block as she gets to grips with THREE other women instead.

Thrilling

The 30C lovely – born in Cyprus but now living in Guildford, Surrey – said: “I’ve slept with two women in the past, but not at the same time.”

“I’d like to change that by having an all-girl threesome.”

“In fact, it’d be even better if there were four of us, all going at it on a big bed after a night out.”

“I love guys but there’s something

really thrilling about being with another girl. Making another woman have an orgasm is a real buzz. Plus they have boobs that you can play with! I love boobs – and not just mine!

"It's different with a lady and the good thing is you know what turns you on so you can try it on them as well."

"I actually had my first lesbian experience in a threesome."

"I was a bit scared at first as the guy was obviously watching everything that was going on."

"But I think I did pretty well. We both gave each other oral until we came then played about with toys, and told the guy to sit on a chair until we decided it was time for him to join in."

"He was practically drooling and I could see that he was VERY excited by what he was witnessing."

"I don't think I could be a full time lesbian, though, because I do enjoy being with men."

"But it's nice to have a change of scenery every once in a while!"

INVASION OF GIANT SPANISH CANNIBAL SLUGS!

SLIME BALLS:
Six-inch monsters are immune to poison

BRITAIN is under attack from a breed of giant cannibal slugs after the six inch-long monsters were spotted for the first time – 50 miles inland.

Giant Spanish Slugs are spreading across southern England destroying populations of our native slugs and snails by EATING them.

The tough invaders cannot be stopped by normal methods as they are immune to poison.

They thrived after the mild winter of 2012 and have spread from the Kent coastline 50 miles inland to Tonbridge, eating our native species on the way.

Predators

The predators will eat everything they can, including beetles, snails, other slugs, DOG SHIT and leaves – as well as dead animals and valuable crops.

Dr Ian Bedford, an expert in the Spanish slug and a member of SlugWatch, said: "If you find them in your garden you must kill them – because they reproduce so rapidly."

They produce so much slime hedgehogs

and slug-eating birds do not go near them, so they have no predators.

"An infestation can be devastating so if you find them in large numbers you must drown them overnight in a bucket of soapy water and then bury them in the ground."

"We have to keep down the numbers because they decimate crops."

They can lay 400 eggs a year – more than twice our native breeds – are light brown in colour, and have been spotted in East Anglia and London.

The aggressive breed came over to the UK on imported salad leaves and potted plants.

MIDWEEK Sport NUMBER 1 FOR TV BOOBS

Them beauties!

Man v Food Adam's skin off stalk hell

TERRIFIED *Man v Food* presenter Adam Richman is running scared of a crazed stalker who wants to SKIN him and wear his FACE like a mask!

It's a harrowing scenario that could come straight from movie *The Texas Chainsaw Massacre*.

And the American nosh-gobbler admits the "admirer" gives him sleepless nights.

Adam, 40 (above), revealed: "There is a young woman who has been sending scary letters to the *Man v Food* production office for some years now.

"All I can say is, she is a bit... different."

"I'm not going to get into the content, but she wants to make a suit out of my skin and wear it."

"All the same, I read and save every fan letter I've ever gotten."

The tubby hero, who is back on the Food Network with new show *The Food Fighters*, also says he ALWAYS gets extra portions when he's recognised by staff in restaurants.

He said: "I find it really flattering. I just roll with it. Gratitude is the attitude!"

HONOR BLACKMAN

By ANN COATES
news@sundaysport.co.uk

OLD person's telly channel Gold has made its first ever original sitcom – and it's packed with TOPLESS babes!

Normally it runs non-stop repeats *Goodnight Sweetheart* and *Only Fools and Horses* but has decided to add its own content with *You, Me and Them*.

It features the gorgeous Welsh beauty Eve Miles, 36, as Lauren, who got her kit off in 2001's BBC2 drama *Tales From Pleasure Beach*.

Prime

Then there's golden oldie Honor Blackman, 89, as Rose, who stripped when she was in her prime in *Kampf um Rom I*. Meaning *The Last Roman*, it was an historical drama from what was back in the late 60s West Germany.

And MILF Lindsay Duncan, 64, plays Lydia, who revealed her boobs in *Under The Tuscan Sun*, a Yank rom-com from 2003.

A Gold insider said: "This is a big thing for us so we had to make sure we had some hot women on board."

"And there's a fitty from every generation, too!"

EVE MYLES

IT'S ANGELINA'S RED HOT SEX!

Sizzling romps in new movie

HOLLYWOOD superstars Angelina Jolie and Brad Pitt engage in 'graphic sex scenes' in their upcoming movie that will leave audiences shell-shocked.

The footage is so X-rated that filming of upcoming *By The Sea* has even been halted as nervous producers decide whether it's already too outrageous.

A source revealed yesterday: "It's a really raw film looking at the disintegration of a marriage. She's unsure how far to go with the footage she shot."

"It features graphic sex scenes and emotional confrontations between

Angelina, who plays a dancer, and her husband, played by Brad.

"She's been locked in an edit suite for months trying to work out exactly how much she should show. It could prove very controversial."

Jolie, 39, directs herself in the drama, and it's the first time she's appeared on screen with her real-life hubby Pitt, 51, since they fell in love on the set of 2005's *Mr and Mrs Smith*.

Jolie recently had her boobs surgically reconstructed with implants following a double mastectomy procedure.

Chainsaw road rage nut attacks mum & girl

A ROAD rage nutter has been filmed trying to attack a female motorist — with a CHAINSAW!

The man, who has not yet been identified, is heard screaming at her. 'That's it! Get the f**k out! Get the f**k out!' as the toothy tree-chopping tool whirs in his hands.

Now police are investigating after the lady who was threatened, Karine Cyr, reported the incident to them.

She says she followed the man's van in order to get his licence plate details after he'd allegedly run her off the road.

But after they both ended up in a dead end, the male got out and began making harrowing threats to kill.

In footage filmed on Cyr's mobile phone, her daughter can even be heard screaming in the back of her car. 'Mummy! Mummy!'

A spokesman for cops in Saint-Jérôme, Quebec, Canada, confirmed they were working with witnesses to find the loon driver — who could now face an assault charge.

Millie, for someone who doesn't like flashing her boobs...

MADE In Chelsea babe Millie Mackintosh says she doesn't like flashing her BOOBS!
That may surprise some fans of the posh clothes designer – because she hasn't exactly shied away from airing her top-kick in the past!
But Millie now says she prefers flashing her legs – because her breasts are merely a HANDFUL.

The 24-year-old said: "Sometimes I wear both low cut and leggy, but then I'd probably cover my arms."
"Mind you, I don't really have much of a chest so, for me, I'd rather flaunt my legs."
Millie, who quit the show back in 2013, is married to Brit rapper Professor Green – aka Stephen Manderson.

BEAR: I WANNA BE IN THE A-TEAM!

RASCALS: Film stars

SURVIVAL expert Bear Grylls wants to be in the next **The A-Team** movie!

The telly insect-muncher reckons he's just like the gang of loveable mercenaries from the 1980s telly show – or the 2010 film remake.

The *Get Out Alive* host, 40, revealed: "I'd love to bring back *The A-Team*."

"It's that resourcefulness under pressure thing again."

Revealing

"I try and bring a bit of it to all the shows I've done because it's so revealing of character."
The *A-Team* was

the ultimate bunch of rascals doing good and I loved that vibe.

"It kind of reminds me of our TV crew nowadays!"

"We drop into all these remote backwater countries, cause havoc, have a whole host of scrapes and adventures and then get out of there fast!"

Meanwhile Bear Grylls is also planning a **COOKERY** show! He hinted: "Maybe something along the lines of taking wilderness food and making it delicious..."

EMPLOYEE of the year Cat O'Connell has revealed how she STRIPPED-OFF in front of stunned office bosses!

The cute 26-year-old used to work in a call centre before finding fame as an international pin-up.

And the 32D beauty, from Coventry, says she brightened-up the day by showing colleagues her perfect curves.

She laughed: "Before I started modelling I used to work in a call centre."

"It was really dull and I knew I was about to quit, so I really let rip at the office party."

"I ended up whipping off my top and swirling my bra around my head, before pulling down my skirt, too."

"I remember my boss looking over with his mouth wide open."

"It was hilarious - I don't regret a thing."

Adventurous Cat also says that NOTHING is off-limits in the bedroom, adding: "I'm believe that you should try everything once!"

MIDWEEK Sport SEX FORUM

One in twenty fellas pays to get laid

By NEIL GOODWIN
neil@sundaysport.co.uk

A WHOPPING five per cent of British men have PAID for sex in the last five years, according to a shock new book.

Statistician and author David Spiegelhalter, 61, of the University of Cambridge conducted countless saucy surveys for his new tome *Sex By Numbers: The Statistics of Sexual Behaviour*.

And he's discovered how many more blokes are shelling out for nookie than first thought.

Around five per cent of 25-34 year-old UK males report having used the services of an escort in the past five years.

And some three-quarters of men aged 25-35 and living with a partner reported masturbating in the previous four weeks, while 80 per cent of those aged 25-35 say they have given or received oral sex in the last year.

Spiegelhalter also unearthed new stats that show an amazing 2.7 per cent of British lads reported successfully being able to 'self-fellate' - ie, give themselves a BLOWJOB.

Pleasure

Meanwhile, he also found correlations between sex and status.

The posher you are the more likely you'll indulge in oral sex, while the opposite was true when it comes to BUM fun.

The 'median time' recorded for a man to ejaculate after vaginal penetration is nine minutes.

And the average age at which people first have sex in Britain is 16.

Speaking about the explosion of the sex industry in the UK, Spiegelhalter says: "According to the Office for National Statistics - those tasked with doing the research - there are 61,000 prostitutes in the UK, seeing 25 clients a week at an average price per visit of £67."

"That makes 80 million visits a year and £5.3 billion spent on sex."

Brunette Laura Cooke (left), 22, sees nothing wrong with a human using cash to buy pleasure.

The Cumbrian beauty told us: "We all have needs, and if they're not being served, why not seek help from a professional?"

"Just so long as everyone is a willing participant who enjoys the experience, where's the harm?"

BUSTY brunette Dominno will knock you over – such is the size of her staggering BOOBS!

The gorgeous Czech model – real name **Domenica Rebelde** – boasts all-natural **34F breasts**.

And like a domino just waiting to be shoved, it's a wonder she isn't constantly falling down, too!

The 30-year-old babe told us: "I've always been blessed with really big boobies."

"And I know just how to use them in the bedroom."

"I relay like it best when a guy puts his bulging manhood between them."

"I can tell it feels really nice for a man to do that, and let's just say that things can get pretty sticky down in my cleavage."

Dominno is also a hardcore porn star who's appeared in flicks like *Boobs I Did It Again*, *From Russia With Lust* and last year's classic *Bold n Busty*.

I'm caught in sex trap between two hot sisters

Dear Gemma,

I'VE had a bit of a problem since I moved to a quiet village six months ago.

I work in the pub and fell for one of the locals. She's 29 and has a great figure.

We have a laugh and a joke every time she comes in and we fondle each other without the others in the pub knowing.

I'd really like a relationship with her, but the problem is that I met her soon after I settled in and we've been an item since.

She's a great girl in her mid-30s and we have a lively sex life.

Recently we had a lock-in at the pub and during the evening when I went to the toilet the younger sister followed me.

She got my manhood out, pulled me into the ladies, ripped my jeans down and hitched up her skirt. Then she pushed me against the wash basin for a f*ck. After 10 minutes we were still going for it when my bird came in. She pushed her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them - twice!

The next morning when we'd all sobered up things were a little different and now they are asking me to choose between them.

I don't want to ditch either. What should I do?

LS, Shropshire

Gemma says,

IT sound like you are more keen on the younger sister, so I think your choice is an easy one.

Dear Gemma,

MY missus is a right kinky mare and I used to love it when she sucked my toes and licked my balls and all that sort of stuff.

I even went along with it when she asked me to penetrate her with fruit and veg - the odd cucumber and banana, you know.

But a couple of nights ago, she asked me to pleasure her with a massive German sausage we'd bought earlier at the supermarket.

I drew the line at this but then she said I'd have to make my own tea in the future!

CF, Strathclyde

Gemma says,

WHY don't you sit down with her and work out what you BOTH want on the sex menu!

Letter of the day

Dear Gemma,

I SHAGGED my sexy neighbour last week, a big-boobed blonde who's in her late 30s and who has often given me saucy smiles.

I ought to explain that I'm 44 and have been married for many years - so many that I rarely get any these days, if you know what I mean.

Anyway, the wife was out and I was washing my car when the neighbour came over and started chatting.

She was wearing a tiny skirt and low-cut top and when she invited me in for a cuppa I knew what was on offer!

As soon as I got through the door she was all over me, and I have to say I was instantly well up for it.

We went to her bedroom and did all sorts of stuff. I licked her out and had her from behind. She now says she's up for more, but I'm not sure as I'm scared my missus and her hubby will find out. What should I do?

SD, Leeds

Gemma says,

NOW you've learnt the hard way that you should never sh*t on your own doorstep. Tell her it was a one-off...and hope she's discreet.

Bonks get bet-ter!

Dear Gemma,

AFTER a disappointing sex session with my husband I bet him £10 he couldn't keep me satisfied for an hour in the sack.

That was a bit crafty of me because I knew he could not refuse - he's gambling mad, you see.

The next night he came back from the pub with two mates he said had the stiffest cocks in town and were raring to give me one.

I was shocked at first, as you can imagine, but the fact is I had been desperate for a really good seing-to for so long that I was happy to put my doubts aside and let them have me.

They did, too, and I

got the best non-stop screwing of my life for well over an hour.

They were both rock hard all over and knew their way about a woman's body and I must have had half a dozen orgasms as they took me all ends up.

When we'd finished my hubby demanded I pay up because he said I didn't specify whose cock it had to be.

I paid him my tenner - but then he took £20 off each of the lads.

The crafty sod had bet them he could find a good-looking woman who'd pay a tenner to screw the pair of them!

GH, Essex

Gemma says,
WHAT's your problem? You're all winners!

CHARMAINE SINCLAIR

RETAIL manager Chris Elton, 39, is a connoisseur of cracking curves.

And he says there's none better than the ones on veteran pin-up Charmaine Sinclair, 43.

Speaking about Charmaine's impressive 36D top rack, Leeds-born Chris says: "She was THE pin-up of the 1990s – and she's still going strong now. Bless her!"

LOU-LOU

IMPRESSED Mike Jones, 47, has just watched Lou-Lou in action in an X-rated movie and is desperate to see more of her.

Mike, from Cardiff, says of 27-year-old 32G Lou-Lou: "I think she should be much better known than she is because Lou-Lou is absolutely gorgeous."

More pics of her in *Weekend Sport*, please!

Happy to help, Mike!

HOLLY HENDERSON

FOOTBALLER Mario Balotelli is a jammy bastard, says butcher John Cockburn, from Middlesbrough.

And that's because Mario famously got to bonk Liverpool hottie Holly, a 33-year-old with 34DD boobs.

John, 54, says: "Holly's eyes are mesmerising, and her breasts aren't bad either."

"She's not been in the paper for a while – any chance you can get her in?"

No problem, John!

Carrie Rothwell says...

I KNOW so many boring girls that are always talking about sex, but never actually get frisky! They will go on for days about their holiday romance or an ex-boyfriend, but you can tell they are proper boring. Fortunately, I've been with my fella for over a year, and we still have sex five times a week! But I don't tell my girlfriends – they'd only get jealous! Even if you're not really in the mood, you should definitely make the effort. It's always well worth it.

Melissa Cowan says...

IT'S quite easy to get too comfortable in a relationship with someone. In the first couple of months, you just want to rip the other person's clothes off! But eventually you both get a bit bored. I think that's probably why Brits aren't having as much sex anymore. It's a real shame, but I think that the answer is having open relationships. I would much rather my boyfriend told me directly he wanted to sleep with other women rather than have an affair.

BRITISH BABES: WE ALL WANT MORE NOOKIE!

ATTENTION men and women of Britain – you need to have MORE sex!

A shock new poll reveals that we are only shagging an average of **THREE** times a month.

And statistics show that **WOMEN** are having less bedroom action now than in the 1920s!

To make matters **MUCH** worse, bonk boffins reckon that British people are feeling less horny than **EVER**.

There are several reasons for this horrifying decline.

Firstly, we are obsessed with **TECHNOLOGY** – and this

is killing our sex drives.

Catherine Mercer, a

researcher for the British

National Survey, said: "With

an increasing number of

competing demands on our

time – like smartphones and

emails – sex just falls down

our list of priorities.

"Working late can mean

by the late evening we're just

still too connected with

everyone and everything

out there to be able to focus

just on our partner."

And secondly, we're starting

to prefer **FOOD** to sex!

A study reveals that

women on average think

about nookie 10 times a day

– which sounds great!

By **JOSEPH SCRIMSHIRE**
joseph@sundaysport.co.uk

But they're thinking about grub **15 TIMES** a day – which officially proves they prefer a plateful of nosh to actually giving one!

And sexperts say that by being in a long-term relationship can also take its toll on our sex lives.

Horny

When couples first fall in love, testosterone levels surge in both men and women, making them feel horny all the time.

But these chemicals fade over time and other distractions – like work, kids and money – get involved.

Prof David Spiegelhalter, from Cambridge University, said: "While we might be living in an era that's never been more sexualised, we're actually having less sex than ever."

"Research proves that over the past three decades the average adult in Britain has gone from having sex five times a month to just three."

"It's obvious that the sexual side of people's relationships requires a little more effort!"

And our *Midweek Sport* stunnas Melissa Cowan, Nikki McManus and Carrie Rothwell are more than happy to help!

Here's their thoughts on the sensational results...

Nikki McManus says...

I'M determined NOT to be one of those girls having sex only three times month. That just sounds tragic.

I'm in a long-term relationship and I must admit we don't have as much sex as we used to.

But that's pretty normal, isn't it?

I think after a year or so, you've got to start making an effort.

Sometimes, I'll surprise my fella with a sexy outfit in the bedroom – or we'll try a new position.

It can feel awkward sometimes, but it's much better than ending up in a dead relationship.

CONFIDENT: Twiston-Davies

Impressed Sam still feels cocky about Rocky

GRAND NATIONAL

SAM TWISTON-DAVIES believes there are more positives than negatives for Rocky Creek ahead of a second tilt at the Grand National at Aintree on Saturday.

Unpenalised for an impressive success in the BetBright Chase at Kempton in February, the Paul Nicholls-trained nine-year-old attempts to improve on last season's fifth-placed finish in the National.

"I schooled him on Monday morning, he was in great order and jumped 42 obstacles," said his jockey.

"He was very good, very fresh, and seems very well."

"He ran round there last year and was very good."

"There's a lot of positives and not so many negatives."

After leading the field at one stage in last year's National, Rocky Creek faded towards the finish, leaving a question mark hanging over his ability to stay the near four-and-a-half-mile trip.

Twiston-Davies is banking on a National-focused preparation yielding further improvement.

Plan

He added: "When you look at him, obviously the one question is, 'Will he stay?'"

"He jumped the last in front last year, but he was almost trained for the Gold Cup, whereas this year he's been trained for the Grand National."

"Hopefully, that gives him every chance."

Will Kennedy was pencilled in to ride the Dr Richard Newland-trained Royale Knight and Ian Williams' Super Duty, but has sided with the latter.

Williams said: "Will Kennedy definitely rides and the horse is in good form, so we're looking forward to it."

"This has been the plan since he arrived and while we could have done with slightly easier ground for his last run at Doncaster, we've been happy with his preparation."

In Kennedy's absence, Newland has snapped up the services of Brendan Powell to partner Royale Knight, who is guaranteed a start as the 40th horse on the list.

Frampton KO's £1.5m Hearn offer

BOXING

CARL FRAMPTON has turned down an alleged £1.5million offer made by Scott Quigg's promoter Eddie Hearn and demanded more talks with a view to sealing a world title unification bout this summer.

Belfast star Frampton insists the all-British bout can only take place as a co-promotion with his own Cyclone Promotions.

And if an agreement cannot

be reached, he will instead pursue a voluntary defence of his IEBF super-bantamweight crown.

Frampton (right) said in a statement: "My team and I have been in negotiations with Matchroom Sport to co-promote this fight."

"It has been made very clear to Matchroom Sport throughout

the entire negotiation period that this huge domestic fight can only take place as a co-promotion."

"It is therefore frustrating that Matchroom have deviated from negotiations with this offer."

Hearn scribbled the sum on a cheque in front of the TV cameras in a clear attempt to speed up negotiations for the bout.

But television remains one

of a number of potential sticking points, with Bury's WBA champion Quigg under contract with Matchroom, who work exclusively with Sky.

Frampton, on the other hand, has been working with ITV and his last title defence in January was the first world title fight to be broadcast live on terrestrial TV in the UK for seven years.

AUGUSTA MADE MACCA CRACK!

Masters course drove me mad, says Irish ace

FEELING THE PRESSURE: Graeme McDowell

THE MASTERS

GRAEME McDOWELL says trying to master Augusta has left him feeling like he needs a PADDED CELL!

Macca will try to improve on his record of making the cut just twice in seven attempts in the Masters when the action begins tomorrow.

The Northern Irishman admitted: "Sometimes I've needed a padded room when I've walked off the 18th because I've got so frustrated."

"But I've learned to understand why the course frustrates you, because it makes you play with the handbrake on."

"You have to take it off sometimes and play aggressively to conservative targets."

"That's a sort of sports psychology thing, but it basically means that you take on shots that you fancy, and if you don't like it, you play safe."

"Sometimes it can be dangerous to be playing extremely well coming in here because it gets you to take too much on."

"Sometimes when you're a tiny bit off and have to play a bit safer and smarter, that can be a good recipe around here. It's about getting that balance right."

Despite all his frustrations, the 35-year-old Ryder Cup hero insists he still loves Augusta.

He added: "My record around here is not great, but I do love this golf course."

"I could play it every day and be very content. It's such a great course, you learn something new about it every year."

"I was out there just picking up little nuances that I haven't perhaps noticed before."

RYDING HIGH: McDowell celebrates Europe's Ryder Cup victory in September

It's all about trying to apply your knowledge and experience and hope that one year I can come here and really compete. This could be the year."

The former US Open champion is optimistic after overcoming an ankle injury which forced him to withdraw from the Texas Open last month.

"I wasn't sure how badly I'd hurt myself, but it was a tendon strain," said McDowell after a practise round.

"This is the first 18 I've walked since, and I feel good. I'm in better shape than I expected."

Rhodes to make Rodgers dig deep

JORD ABOVE:
Rhodes can strike first

ALL Rhodes lead to Blackburn for tonight's crucial FA Cup quarter-final replay with Liverpool.

Jordan Rhodes bagged his 17th goal of the season as Rovers cruised to a 3-0 Championship win over 10-man Leeds on Saturday.

And he makes plenty of appeal at 13/2 to be first goalscorer.

Blackburn at 9/2 would look great value against 4/6 Liverpool who had delusions of adequacy in their 4-1 mauling by Arsenal at the Emirates on the same day except — and it's a massive except — they have one hell of an injury crisis.

Big striker Rudy Gesteled limped out of the action with a tight hamstring against Leeds and is a doubt.

The huge, powerful Benin international caused the Reds no end of problems in last month's goalless draw at Anfield. Gesteled's replacement

BLACKBURN v LIVERPOOL: 7.45, BT SPORT 1

Chris Brown was also forced out at Elland Road and Rovers now have 10 players carrying knocks going into the tie with Brendan Rodgers' side.

Manager Gary Bowyer had already lost goalkeeper Simon Eastwood and midfielder Chris Taylor after they were hurt in training before the Leeds game and he revealed Gesteled and Brown had both complained of "tightness" in their hamstrings.

Their list of casualties now includes Eastwood, Chris Taylor, Gesteled, Brown, Craig Conway, Grant Hanley, Josh King, David Dunn (imagine that!) and long-term victims Shane Duffy and Jason Lowe.

Former Liverpool midfielder Jay Spensing scored his first goal for Blackburn in the win over Leeds but he's cup tied for

the clash with his former club. Paul Taylor, David Raya and John O'Sullivan are also ineligible.

Teenager keeper Raya made his Rovers debut at the weekend in place of Eastwood but he's cup tied after playing for Southport against Derby in the third round during his loan spell with the Conference Premier outfit.

Jason Steele, who was rested on Saturday, will start in goal against Liverpool.

Thereds have their problems too with Martin Skrtel and Emre Can suspended.

Mario Balotelli backed out of the trip to London with a sore knee. Bless him.

It remains to be seen if he can limp the much shorter distance to Ewood.

But surely they will have too

much strength in depth for a Blackburn side with so many injury woes.

Therefore the betting tactic is to let Rhodes give Liverpool a bloody nose before they feel the strain of their thinned-out squad and Liverpool pull back to a win.

It is vital to their season that they do go through to the semis because, impressive though their mid-season revival was, the Champions League places are a speck on the horizon.

If they need extra-time to do it you can get a reasonable 13/5.

For a fun bet you can have a small stakes Scorecast of Rhodes to score first but Liverpool to win 2-1.

BETS: Rhodes to score first (13/2); Scorecast L'pool 2-1 plus Rhodes (75/1).

DUNDEE v DUNDEE UTD: 7.30, SKYSPT 1

ONLY five points separate these bitter Deeside rivals so there is more than one-night bragging rights at stake in tonight's Scottish Premiership clash.

With a title challenge out of realistic reach for the foreseeable future, the joy of looking down on your neighbours in the end-of-season table counts for plenty.

Dundee go into the game in better shape having held third-placed Inverness to a 1-1 draw away from home on Saturday.

At the same time, United were losing 2-1 at home to relegation-threatened Ross County and Tannadice was not packed with happy bunnies this Easter.

Supporters groups are livid that manager Jackie McNamara (left) makes bonuses from the sale of players, rather a recipe for terrace

respect for the gaffer. The sales of Gary Mackay-Steven and Stuart Armstrong to Celtic six weeks before the teams were due to meet in the League Cup final sparked the asking of some uncomfortable questions and the arguments rage on.

The visitors are three places ahead in the league but it can pay to go with the hosts tonight under the circumstances.

A home win at 8/5 looks generous with United priced at 6/4 and the draw a shade higher than 9/4.

Better still if you think Dundee will break the ice before half time and hang on to that lead you can have 100/30. We also like a cosy 2-0 scoreline at a sassy 13/1.

BETS: Dundee to win 2-0 (13/1); Dundee half time/full time (100/30).

BLATTER SETS OUT PLANS TO FIGHT RACISM

FIFA president Sepp Blatter has called for stricter punishments for racist abuse, insisting relegation and suspension will work as deterrents to rid football of the issue.

The 79-year-old, who is running for a fifth term in office, set out his plans to combat racism in the game at the launch of the Confederation of African Football (CAF) congress in Egypt.

Blatter said the South Africa World Cup of 2010 has set a benchmark for future tournaments and spoke on how he wants to see any racist behaviour tackled in the future.

"We have to punish not only through fines and stadium closures but we have to use our rules to suspend teams, to take away their points or even to relegate them if racism continues," he said.

DYKE FINALLY CALLS TIME ON £16,000 WATCH

FIFA has announced that FA chairman Greg Dyke HAS returned a £16,000 watch he was given as a gift.

Dyke was given one of a limited edition of Parmigiani watches by the Brazilian FA during a FIFA Congress meeting in Sao Paulo during the World Cup – with 65 handed out in goodie bags totalling more than £1million.

When the watches were recalled, Dyke initially refused to hand his back – having promised to donate it to the FA's official charity partner, Breast Cancer Care, so that it could be auctioned.

But with the threat of sanctions if he did not return the watch, FIFA's ethics committee has now confirmed receipt of the item.

MONIZ TAKES U-TURN OVER COUNTY JOB

RICARDO MONIZ has performed a surprise U-turn and agreed to become Notts County's new manager – a week after pulling out of the job.

The former Tottenham coach, 50, had agreed terms with the League One club, only to withdraw his interest due to "unforeseen family reasons".

However, a deal was finally done yesterday following what the club described as "a change in circumstances".

The former *Pennine* and 1860 Munich manager will meet his players for the first time today ahead of the relegation-threatened club's crunch League One trip to Yeovil Town on Saturday.

Wenger ready to do a double take

CABAYE AND HIGUAIN TOP TARGETS FOR ARSENAL BOSS

ARSENE WENGER is determined to bring Yohan Cabaye and Gonzalo Higuain to Arsenal this summer.

The Gunners boss missed out on both players last time they were up for grabs.

France midfielder Cabaye left Newcastle for Paris St-Germain for £15million.

And Argentina striker Higuain opted to leave Real Madrid for Napoli two summers ago.

Cabaye has been lined up

as the long-term replacement for Mikel Arteta.

He has failed to make a big impact in the French capital and Arsenal expect to land him for around £10m.

And with the future of Theo Walcott uncertain, Wenger is eyeing Higuain as his fourth strike option alongside Olivier Giroud, Alexis Sanchez and Danny Welbeck.

The Argentinian won't come cheap, however, with Napoli set to demand £30m

for the 27-year-old – a figure Wenger has no intention of paying.

Arsenal are also ready to battle Manchester United for Borussia Dortmund defender Mats Hummels.

Complicated

The Germany centre-back has been a long-time United target and it looks like both clubs will be able to offer Champions League football next season.

The Gunners are also in talks to sign Argentine teenager Maxi Romero – but

the deal would be a complicated one.

The Premier League have tightened up rules on third-party ownership and work permits.

Velez Sarsfield president Raul Gamez revealed that the Gunners have made an offer for the 16-year-old.

But any deal could see the wonderkid stay in Argentina on loan.

Arteta, Jack Wilshere and Abou Diaby continued their comebacks from injury with run-outs for Arsenal's Under-21 side against Stoke.

I COULDN'T BE MOUR HAPPY, SAYS WILLIAN

WILLIAN has revealed how Jose Mourinho is steering Chelsea towards the Premier League title.

The Brazil midfielder reckons the weekend win against Stoke confirmed the Blues are not about to let their lead at the head of the table slip.

And he credits manager Mourinho with maintaining momentum in the title challenge.

Willian said: "He is a great manager and he gives confidence."

"He gives everything to the players and we try to win all the games."

"He explains what we have to do on the pitch and he is a very good coach."

"He has history in football, so I am very happy to work with him."

"We have to continue in the same way."

BIG BLOW: Naughton

KYLE BE BACK... IN AUGUST

SWANSEA'S Kyle Naughton has been ruled out for the season with ankle ligament damage.

He was hurt during the Swans' 3-1 Premier League victory over Hull on Saturday in a challenge which saw Tigers midfielder David Meyler shown a straight red card.

Swansea revealed a second scan had confirmed ligament damage that will keep him out for six weeks.

Naughton was taken to hospital after the game for X-rays, but he had to wait for swelling to go down to discover the full extent of the injury.

The defender has been a big hit for Swansea since joining from Spurs in a £5million January deal.

The 26-year-old has ousted the long-serving Angel Rangel to become a regular at right-back and has started Swansea's last nine Premier League games.

MIKE WILLIAMSON has hit back at claims that Newcastle players have stopped caring.

The players faced calls from fans to be sent packing as the furious Toon Army demand

top-to-bottom change in the summer – with the club's unpopular billionaire owner Mike Ashley also in the firing line.

Williamson (left) admits that the players can be accused of many things after winning just twice this calendar year to see them in danger of being dragged into the battle for Premier League survival. But the big

defender insists not caring about their performances isn't a valid criticism.

That's despite accusations from BBC pundit Phil Neville that Toon are mentally on the beach and coasting to the end of the season.

Williamson is still struggling to come to terms with the damaging 1-0 defeat courtesy of Jermain Defoe's wonder strike, and the centre-back blasted: "People are entitled to their

opinions but there isn't one player out there who doesn't care."

"It hurts everybody. Not one player goes out there that isn't bothered about the result or their performance. For me, a defeat like that hurts deeply."

Daryl Janmaat is set to add to Newcastle's defensive woes by missing Monday's game at Liverpool with a calf injury sustained during the warm-up against Sunderland.

DERBY GOAL DEFO WON'T GO TO WASTE!

By JASON MELLOR

JERMAIN DEFOE is determined to make sure his derby day wonder strike doesn't go to waste.

The Sunderland hitman is still basking in the glory of his stunning winner to clinch a fifth straight victory over Newcastle.

Just as importantly, it lifted Dick Advocaat's men further clear of the Premier League drop zone with just

seven games of the season remaining.

In-form Crystal Palace visit the Stadium of Light on Saturday, hot on the heels of their impressive home victory over reigning champions Manchester City on Monday night.

And Defoe is anxious to clinch back-to-back victories for the first time in the league

this season to ensure his heroics against the Geordies weren't for nothing.

The 32-year-old said: "It was a massive three points we got against Newcastle, but we have to put that to the back of our minds now, regroup as quickly as we possibly can and move on to the next challenge. You can savour a result like the one

we had on Sunday – and obviously the supporters will enjoy it.

"But we're all well aware that the season hasn't finished yet and there are some more massive games coming up.

"It's important now that we concentrate fully on the next game against Crystal Palace, and win that. Our confidence

has had a massive boost. I hope now that we can kick on because every match is important."

Adam Johnson hopes to come into contention against Palace after starting his first game since the lifting of his club ban last month following accusations of sexual activity with an under-age girl.

The England winger, who came on during the second half of Sunday's derby win, impressed in a recent 3-2 victory against Southampton's under-21s.

Contention

The 27-year-old is due to answer police bail later this month.

Sebastian Larsson has been ruled out for almost a month through suspension after picking up his 10th booking of the season against Newcastle.

Sunderland's Swedish midfielder misses out against the Eagles, as well as the trip to Stoke on April 25, which comes after the free weekend due to Arsenal's involvement in the FA Cup semi-finals.

Larsson comes back into contention for the visit of Southampton on May 2.

Juve defender can be top Og for Pochettino

TOTTENHAM are weighing up a summer swoop for Juventus defender Angelo Ogbonna.

The 26-year-old Italy international has been used sporadically by Massimiliano Allegri throughout the season, making only 18 Serie A appearances and just one in the Champions League.

Another player on Spurs boss Mauricio Pochettino's radar is Braga star Rafa Silva, who is also being tracked by Liverpool.

The winger has a £17.7million buy-out clause in his contract, which appears to have ended Manchester United's interest.

Pochettino's most pressing concern is an injury crisis that has weakened his defence and all but ended Spurs' hopes of a top-four Premier League finish.

England right-back Kyle Walker has had scans on the foot injury that forced him off early in the second half of Sunday's 0-0 draw at Burnley.

Goalkeeper Hugo Lloris missed out with a knee injury and centre-back Jan Vertonghen was absent through illness.

TARGET: Ogbonna

Dunne and Fer on track for derby return

QPR are hopeful injured duo Richard Dunne and Leroy Fer will soon be back in action.

The Hoops are battling hard to beat the drop, having returned to the Premier League after a year-long spell in the Championship.

Veteran defender Dunne turned out for the development side against Millwall following two months out with a knee injury.

The 35-year-old suffered medial ligament damage during the home defeat to Southampton on February 7.

He is targeting the derby at West Ham later this month – as is Dutch midfielder Fer, who has been sidelined with a similar injury.

One man who can no longer help the Hoops in their relegation fight is Eduardo Vargas.

The Chile forward will miss the rest of the season after suffering knee ligament damage during Saturday's 4-1 win at West Brom.

Scans revealed Vargas sustained a grade two medial collateral ligament injury, which will sideline him for 10-12 weeks.

Martinez up for summer Silva swoop

EVERTON will launch a bid to land hot prospect Rafa Silva in the summer after club scouts gave the £12million-rated Portuguese youngster rave reviews.

The Toffees have been keeping tabs on the Braga midfielder on a weekly basis – and boss Roberto Martinez is ready to pounce.

Silva is one of the most exciting prospects in his country and Everton are hopeful of beating off interest from other clubs in Portugal to land the player.

The 20-year-old has a buyout clause in his contract of around £18m, but Braga are prepared to let him go for less than that with a hefty sell-on clause.

Martinez is eager to strengthen Everton's attacking options in midfield after a disappointing campaign which saw them fail to build on last season's fifth-place finish.

Everton are also planning for a transfer saga of their own involving Kevin Mirallas after rumours that the winger wants to quit Goodison Park.

The Belgium winger is believed to want a fresh challenge, with Tottenham set to offer around £21m to get him to White Hart Lane.

Everton keeper Tim Howard has revealed his anger at his side's lack of clean sheets this season. The Toffees have so far shipped 42

goals and managed just eight shutouts all season.

Howard said: "We obviously would want a clean sheet every week and we haven't had enough."

"But that doesn't stop us going out there and training hard. That's what a lot of people miss, can't see and will never see – our work ethic on the training pitch."

Gaz fired up after taking on Wigan job

GARY CALDWELL is on cloud nine after being given the chance to replace Malky Mackay at Wigan.

Mackay was relieved of his duties following the 2-0 defeat to Derby on Monday, which left Latics eight points adrift of safety in the Championship. And club captain Caldwell was named as his surprise permanent successor yesterday.

The 32-year-old said: "I've made no secret of the fact that I wanted to move into management when the time was right. I didn't expect that to come along as quickly as this, but in football you need to take your opportunities when they arise."

"I'm honoured and excited in equal measure to take charge at Latics, where I have shared such incredible memories over the past five years."

"We are in a really tough place at the moment, but we will approach the next five games with only one thing in our minds – to win."

"After that, we will assess where we are and move on."

Wigan chairman David Sharpe described Caldwell as a "natural leader" and believes he's the right man for the job.

Sharpe said: "After meeting with him, Gary was the only candidate that we considered because we are so convinced of his qualities. He knows

BIG BREAK: Gary Caldwell

exactly who we are as a football club and he shares the same football philosophy."

"He is a natural leader who commands respect from everyone around him."

Caldwell will be assisted by Graham Barrow, while Eric Black and Mike Pollitt will remain in their respective roles as first-team coach and goalkeeping coach.

CHAMPIONS ISSUE BATTLE CRY

FIGHTING TALK: Vincent Kompany reckons the Manchester derby has come at just the right time for struggling City

WITH CRUNCH CLASH LOOMING

WE'LL KOM FIRED UP FOR DERBY

Skipper's warning as City fall behind bitter rivals

By TIM ABRAHAM

VINCENT KOMPANY is adamant his Manchester City team-mates will be fired up for their crunch derby clash with bitter rivals United at Old Trafford on Sunday.

City's slump continued on Monday when their 2-1 defeat at Crystal Palace dealt the final blow to their faint Premier League title hopes.

The lifeless performance leaves City heading into battle with Louis van Gaal's side looking over their shoulder at the chasing pack, rather than attempting to hunt down leaders Chelsea.

Defeat to the Red Devils would see City's campaign implode even further and open the door for Liverpool, Southampton or Tottenham in the race for the top four.

But skipper Kompany claims that despite their latest setback the faltering champions will be up for the fight against United.

Momentum

"A derby is a derby. It doesn't matter what place you are in the league, it's a derby," said Kompany.

"If anything, it's a good moment to go into a derby. I guess the momentum is a little bit with our neighbours at the moment, but it's the perfect place for us to go and try to rectify what we've had."

"We are demanding with ourselves, because we have to win."

"Did Palace have a shot on goal except for set-pieces? They are definitely a solid team, definitely a team that knows how to defend."

"They had a game plan, so

FEELING THE
STRAIN:
City boss
Manuel
Pellegrini

credit to them. But for us, it wasn't a bad game in comparison with other games that we might have lost."

"It has a bit of a different feel to it maybe than the result at Burnley."

"But a team like us needs results."

The Palace defeat heaped more pressure on City boss Manuel Pellegrini, who has

been tipped to get the sack at the end of the season.

Real Madrid manager Carlo Ancelotti and Bayern Munich boss Pep Guardiola are among those touted as a replacement for Pellegrini.

Kompany refused to comment on speculation about the Chilean's future, but the Belgium centre-back claims City need to set the tone for

next season with a strong finish to this campaign.

"My only concern is we get back to our best form," he added.

"I think it's our general form that we have to improve."

"I've learned from the past seasons as well that finishing a season strongly can have an impact on your next season as well."

UNITED FORCE:
Juan Mata and
Ander Herrera

My pal Ander is a GENIUS, roars Mata

By IAN WINROW

JUAN MATA has dubbed Manchester United team-mate Ander Herrera a GENIUS.

Spanish midfielder Herrera struck twice in the weekend win over Aston Villa.

And the former Athletic Bilbao man is finally beginning to deliver on his £30million price-tag.

Fellow Spaniard Mata said: "I think it was the first time he scored twice in a game and I'm very happy for him."

"The truth is he deserves it. He is a genius on and off the pitch and I know how happy he was after the game."

Mata is also starting to make his mark after putting together a string of consistent displays.

And he believes boss Louis van Gaal can reclaim local bragging rights when United face neighbours City on Sunday.

United have surged above Manuel Pellegrini's side into third place.

And Mata said: "The team is improving. This is our fifth consecutive win in the Premiership and we want to keep this streak."

"Winning the derby against City could be very important for the battle in the top four."

Style

"A derby is always special and we must be careful with City's attacking players – they can win the game in an isolated play."

Bullish defender Phil Jones insists the Red Devils are ready to turn on the style in the derby.

United are brimming with confidence after recent victories over Tottenham, Liverpool and Aston Villa in the Premier League.

By contrast, City are feeling the heat after back-to-back defeats.

Van Gaal admits he is happy for his side to

BULLISH: Phil Jones

"play ugly but win" to secure the bragging rights.

But Jones is eager for his side to beat City with a flourish.

The England defender said: "It's nice to go into the derby, such a big game, playing well and in form."

"We need to make sure we put on another great performance on Sunday."

"City are still a good team. We know what they're capable of and the threat they have going forward."

"They've got some great players in their squad – but so have we."

"We've seen what sort of team we can be when we turn up and play our football."

"Hopefully, we can do that on Sunday as well."

GIVE IT TO ME: Kop boss Brendan Rodgers wants to end the season on a trophy-winning high

HAPPY DAYS: Liverpool last won silverware in the 2012 League Cup final

DEAL OR NO DEAL? Raheem Sterling's stalled contract talks have added to the mini crisis

DEFIANT Liverpool boss Brendan Rodgers has urged his players to forget their miserable form – and go on and win the FA Cup.

Eight wins from nine Premier League games up to the middle of March had left the Reds well placed to secure a top-four finish.

But costly back-to-back defeats to Manchester United and Arsenal have left their Champions League dreams in tatters.

The fall-out over Raheem Sterling's stalled contract talks have also added to the mini crisis for Rodgers.

But the Kop chief wants Liverpool to finish the

Tonight, 7.45pm – Live on BT Sport 1

season on a high and bring silverware to Anfield for the first time since the 2012 League Cup success under Kenny Dalglish.

To book an FA Cup semi-final clash against Aston Villa, the Reds must beat Blackburn in tonight's replay at Ewood Park.

And Rodgers admitted: "There is no doubt there's disappointment at losing those games having worked

very hard to get ourselves in a great position.

"We're honest enough as a group to analyse that we didn't perform well enough – and when you do that against top-quality squads, unfortunately you can lose.

"But it's gone now. We need to focus on doing the very best we can.

"The group is very committed to winning this trophy, but in order to do

that you have to qualify and we know Blackburn will be a difficult game for us.

"We've made steady progress over a couple of seasons and arrived in a Champions League place last year and nearly won the league.

Protests

"A trophy this season will mark another step forward for us. Getting to a final and winning a trophy is what we want.

"We made that a real strong objective for us this

season, to do well in the cups."

Blackburn held Liverpool to a 0-0 draw in the first quarter-final meeting at Anfield last month.

Liverpool's ground was where Rovers celebrated winning the Premier League title 20 years ago.

But in recent years Blackburn fans have become more accustomed to protests against owners Venkys, transfer embargos and disappointment on the pitch.

Boss Gary Bowyer, who has steadied the ship since

taking over, is delighted to be giving the supporters another glimpse of glory.

He said: "I am really pleased for them more than anybody else to bring Liverpool here and get Ewood Park rocking and remind us of the Premier League days.

"It will bring back fond memories. It's where we all want to be, so this will be a little taster for us.

"You've only got to look at our home form against Premier League teams in the FA Cup and we've done particularly well.

"There's an excitement around the town because the big boys are coming – it's an FA Cup quarter-final replay and a big occasion."

DEADLY: Glenn Whelan has the best strike ratio in the top flight

GOAL-DEN BOY GLENN IN A LEAGUE OF HIS OWN

By IAN WINROW

GLENN MURRAY confirmed he is the Premier League's DEADLIEST striker against Manchester City.

And team-mate Scott Dann believes the hitman can fire the Eagles to a top-10 finish.

Murray struck his fifth goal in five games in the 2-1 win that destroyed City's title hopes.

The striker is scoring at a rate of one league goal every 89 minutes – faster than Harry Kane and Diego Costa, the top-flight's leading scorers.

Palace centre-back Dann said: "Glenn epitomised the way we played. He has given us a platform to build on."

"He's so strong and he takes up some clever positions."

"You saw how good he is in the air. Not many people can hang like that. He gave them a really tough time."

The win moved Alan Pardew's 11th-placed team to within three points of a top-10 spot.

And, while they face a testing run-in, full-back Joel Ward reckons it's on the cards.

He said: "The main goal for us is to catch the people in front of us and keep on enjoying playing."

"We want to keep on playing with the freedom to go out there and express ourselves."

"There's no reason why we can't make the top 10. We've got a great run of games now."

Massive

"The next three games we have a chance to put a real stamp on it and get as high as we can."

"The last four games are going to be very tough, but we've shown we can put massive performances in against the big teams."

Palace chairman Steve Parish has revealed he's targeting some outside investment so he can spruce up Selhurst Park.

The club has been targeted for a takeover by American businessman Josh Harris, who already owns the Philadelphia 76ers basketball team and ice hockey outfit the New Jersey Devils.

FUNDING HOPE: Steve Parish

Parish has been at Palace since his consortium saved the club from the brink of financial collapse in 2010.

He has insisted he wants to remain involved and that an investment, rather than a takeover, is his preferred option.

And he claims that, while there is money available for Pardew to invest in new players in the summer, extra funds are required to do some long-overdue maintenance work on the ground.

Parish said: "The only reason for us to get more money in is to improve the infrastructure."

"There's no rush and we are in a good place. If it happens, it happens."

"We can fund players out of our own resources, but we are long overdue ground improvements."

"They are very costly but we need to make sure we get it done. If that means bringing in other people, then we'll do it."

REAL DEAL: Raheem Sterling will be a big target for Madrid in the summer

MADRID GO STER CRAZY!

Zidane admits: We want Kop kid

ZINEDINE ZIDANE has rocked Liverpool by admitting Real Madrid are homing in on Raheem Sterling.

The contract rebel has refused to put pen to paper on a £100,000-a-week deal with the Reds, but denies he wants more money.

Kop boss Brendan Rodgers has repeatedly said his prize asset is going nowhere in the summer.

But Madrid have put the cat among the pigeons by publicly acknowledging for the first time that they are interested.

Madrid legend Zidane is currently in charge of the club's B team – but he has been tipped to replace Carlo Ancelotti at the Bernabeu.

And he admits that the Champions League holders ARE keeping tabs on the 20-year-old star.

Fight

"We know who Raheem Sterling is, and of course we are monitoring him as a player," said Zidane.

"There are very few players in the world who can improve the Madrid squad, so it makes sense we monitor the progress of the best youngsters." Rodgers won't give up

without a fight, though, and the Kop hierarchy have already told their Spanish counterparts not to even bother contacting them about Sterling.

An Anfield insider said: "The club have told Real Madrid they are wasting their time asking about Sterling's availability, valuation or otherwise."

"Brendan Rodgers is not interested in letting one of the brightest young talents in the world leave."

"There is no panic about his contract situation and both parties are optimistic he will sign a new deal in the summer."

"Real or any other club should forget it because Raheem is not for sale."
